

## A Called to Mate Christmas (Pack Mates Book 0)

Quinn's thrilled Declan's being so romantic during the Christmas season and he's determined to do something just as awesome for his mate. But Declan seems to have his own plans. Curl up and enjoy a bit of holiday spirit in Lynn Tyler's *A Called to Mate Christmas*, a special addition to her paranormal romance series, *Pack Mates*. Quinn has been blessed with a very romantic mate. Twelve days before Christmas, the gifts start pouring in, some sweet, some spicy. But now the book and video game he'd purchased for Declan seem pale in comparison. All it takes is a visit to an online adult store and a little help from Cullen to arrange for the best gift Quinn can give Declan. This book has previously been published with Liquid Silver Books.
