

## To My Hero: A Blog of Our Journey Together

It wouldve been different if I had courage, even an ounce of it. But I was a coward from the day I met you, Ryan Crowley. I still am. In the end, it doesnt matter. The bottom line is the same. Its my fault. When the unthinkable happens, Carly Cavanaugh is left beaten, betrayed, and devastated. Her best friend doesnt understand. Her parents wont listen. Everyone in her life turns against her. Shes completely alone, except for Ryan Crowley, the boy shes been crushing on for years. She wont admit to him what she cant admit to herself. But he understands without words. He knows more about what shes going through than she can possibly imagine and he knows what it will take for the healing to begin. With Ryans help Carly begins to piece together the fragments of her once perfect life and embarks on a journey of love and healing, just long enough for the rug to be pulled out from under her again. Can she find the strength and will to pull herself together to save Ryan and herself when their lives are on the line?
