

Wicked Lord: Part Two

Lady Beth has finally realized that Lord Trinity is a vampire. A creature whose blood she has drunk. Is it his blood that makes her desire him until she has to flee the cravings or be consumed? Lord Trinity Blacknall wonders why a noble lady's blood haunts him. Is it her virginal innocence? He is a vampire who is decades old and he has never met a woman he couldn't entrance, until Lady Beth Winslow. There are things between them that are impossible in his world; he can sense her from distances, he cannot mesmerize her, and her blood drives him wild with need. But even as he tries to stay away from her ... and he fails ... he must discover what manner of creature stalks women in London's underbelly before it is too late and Beth or her brother become the beast's newest kill. *This is the 2nd installment of Wicked Lord
