

## Adopted Son (Mills & Boon Cherish)

After answering a call asking for backup, Texas Ranger Jeremiah Tuck Tucker discovers an abandoned child at the crime scene. Little Brady has been neglected and it turns out he has no living family. Tuck is determined to give the two-year-old boy a home, and starts the process of adoption. He's furious when he learns Grace Whitten, a lawyer and family friend, is representing a couple who also want Brady. She and Tuck have never gotten along, and now she's questioning his abilities as a parent. But once he finds out Grace's true intentions for the child, he begins to see beyond the lawyer, to the woman. And to the potential wife and mother
