Issues under Trusts law are separable into: Creation, Type, Scope and Termination. A whole other set of issues has to do with the trustee of the trust. These include trustee duties, breach of those duties and rights of beneficiaries when such breaches occur. Express trusts tend to be the only ones tested under Trusts law per se - all other types of trusts tend to be tested under Remedies. However, public trusts may be tested. This book lays the entire foundation for all of express trust law and is all you need to gain the understanding required for a great law school pass. For quick bar prep go to CaliforniaBarHelp.com.
