

His Ring, Her Baby (Billionaires And Babies Book 8)

The job title was housekeeper, not fiancée! But billionaire cattleman Kirk Deverill couldn't throw the lovely single mom off his ranch. Especially when he knew the job would help her keep her son. Of course, the eligible bachelor hadn't expected her to tell everyone she was also Kirk's bride-to-be! He agreed to Vanessa's ruse for her adorable son's sake. And for the opportunity to claim some husbandly pleasures. Of course, making their fake engagement a real union was never going to happen. The Outback loner had his reasons and even the most desirable of women wouldn't get him to change his mind.
