Sometimes, the one thing you thought you wanted more than anything turns out to be the one thing you really didnt need...
Betrayed - Soldiers of Darkness Book #2...
Mack A new town, a new start, a new Soldiers of Darkness chapter, and Im back in charge. Ive been given a second chance to prove I can do this, because I almost lost everything, after she messed with my head and turned me into someone I didnt even recognize. I became someone I didnt want to be, and I cant let her do that again. Things are very different now. Shes very different, now. But I still want her. God help me But I gotta play this right, cause I mess up again and there aint gonna be no more second chances. I got scores to settle. And this time I dont plan on losing Izzi I never thought this would be my future living in New Mexico, married to an outlaw biker. I never thought my life would turn the dark corner it did; that Id become a woman capable of killing a man, but thats what happened. I killed a man. And I had to do that, he had to die, because he tore my world apart. And it changed everything. But Im happy now. That dark chapter of my life, its over. Things are changing, Im changing, and I think I need to. Things couldnt stay the same. But hes still here. And I didnt tell him to go, because I could have done. Maybe I should have done. I love my husband, and Im beginning to love what my life is becoming. I dont need Mack Slayer, not anymore Zeb Staying in one place for too long, that never used to be me. But I dont wanna go anywhere right now, and thats because of her. Izzi. Shes my whole freakin world now, and I dont intend to lose her. Cause I know what hes planning. I know why he stuck around, why hes still here. But it aint gonna happen. And, yeah, OK, I got some distractions right now, but I aint gonna take my eye off the ball for too long. I aint that stupid. I got secrets, but Im dealing with them. And Izzi she got

secrets, too. We all got secrets, its just that, some secrets are way more dangerous than others **Betrayed contains strong language, adult themes, and very hot, sometimes very graphic sex that some readers may find uncomfortable. It is therefore suitable only for those 18+**
No cliffhangers. The story is tied up here in book #2.
