

## The Billionaires Squatter: BBW & Billionaire

BBW Stella Wentworth has a problemwell, she has several. But her most pressing issue at the moment happens to be the fact that shes been evicted from her apartment after the crazy guy she was subletting from didnt pay his rent. Enter SizzleSpot, the amazing website that offers vacation rentals. When she discovers a glitch in the system that allows her to rent a fancy Hollywood Hills house for seven cents a day, suddenly Stellas prospects are looking much better. But what will happen when the mysterious owner of said house discovers that shes living there? Throw a huge dog, a booty call, some mysterious cameras and a samurai sword into the mix...and suddenly Stellas dealing with a lot more than she can handle. Contains adult situations 12,000 words
