

Billionaire Brothers Badger the Bewitching BBW Billionairess: The Surreal Sisters (BWWM Shapeshifter Paranormal Menage Pregnancy Romance)

These werehoney badgers just dont care. I was a curvy, busy CEO, and I took a well-deserved sojourn. In Paris, I met two French shifter venture capitalists: Benjamin and Bernard. They introduced me to the way that Frenchmen do business meetings. When my vacation was done, I left because I knew I could never be the woman that they wanted me to be. When I get surprising news about a gift arriving in nine months, will they come to my rescue? Or will they leave me on my own? Note: This story is a steamy STANDALONE SHORT with a happy ending. If you dont like shifters and steamy scenes with multiple partners, give this book a miss. If you enjoy reading about beautiful, curvy women and powerful, confident shifters, this was written for you. Enjoy!
