

## Borg Like Me: & Other Tales of Art, Eros, and Embedded Systems

A comprehensive collection of cyberculture pioneer Gareth Branwyn's best work, *Borg Like Me* spans a 30-year writing career. The book covers Branwyn's coming of age in a commune, his involvement in the 90s zine publishing scene, his tenure at influential cyber arts and culture mags *Mondo 2000*, *BOING BOING*, *Wired*, and his eight years at *MAKE*, spearheading the growing maker movement. Previously published material is woven throughout with Branwyn's unabashedly honest commentary, personal anecdotes, and original essays. Read about the smart-druggies behind *Mondo 2000*, impersonating Billy Idol in cyberspace (for Billy Idol), the making of the iconic early 90s hypermedia book, *Beyond Cyberpunk!*, and Branwyn going positively Phillip K. Dick after a heart attack and a bad blood transfusion. *Borg Like Me* is a smart, passionate, intense trip along the bleeding edges of art, technology, and culture at the turn of the 21st century.
