

Gutter Princess (Jaded Book 1)

Life in the gutter of New Orleans isn't pretty. Baby Jade makes ends meet as a stripper in a seedy club, working for less than she deserves for an unscrupulous slime ball. No father. No mother. No other option but to take care of herself the only way she knows how. Lucky is a drifting hard-ass with a backstory no one has been able to crack. Turning his back on the wealth and class of his upbringing, he has spent years on the road in an effort to find himself. He doesn't deserve her. She doesn't trust him. When they get together, nothing can put out the fire between them.
