Adapting to the ever-changing GMAT exam, Manhattan Preps 6th Edition GMAT Strategy Guides offer the latest approaches for students looking to score in the top percentiles. Written by active instructors with 99th-percentile scores, these books are designed with the student in mind. The industry-leading GMAT Sentence Correction Strategy Guide delves into every major principle and minor subtlety of grammar tested on the GMAT. From its comprehensive list of GMAT-specific idioms to its tailored coverage of topics such as pronouns and parallelism, this guide teaches exactly what students need for GMAT Sentence Correction and nothing that they don't. Unlike other guides that attempt to convey everything in a single tome, the GMAT Sentence Correction Strategy Guide is designed to provide deep, focused coverage of one specialized area tested on the GMAT. As a result, students benefit from thorough and comprehensive subject material, clear explanations of fundamental principles, and step-by-step instructions of important techniques. In-action practice problems and detailed answer explanations challenge the student, while topical sets of Official Guide problems provide the opportunity for further growth. Used by itself or with other Manhattan Prep Strategy Guides, the GMAT Sentence Correction Strategy Guide will help students develop all the knowledge, skills, and strategic thinking necessary for success on the GMAT. Purchase of this book includes one year of access to Manhattan Preps online computer-adaptive GMAT practice exams and Sentence Correction Question Bank. All of Manhattan Preps GMAT Strategy Guides are aligned with the 2016 Edition GMAC Official Guide.
