

Harmony (Dark Creature Book 2)

The Vampire dumped on Pack land is a handsome devil. Lycanthropes and Vampires don't mix. So why do I insist on keeping him close? Why do I dream about him biting me? Hannah is a Lycanthrope, a woman possessing the ancient spirit of a wolf, and a natural enemy of Vampires. Stumbling across a notorious bloodsucker left for dead in Pack territory, the decision to drag him before her Alpha should be simple. But her wolf demands the male as her fated mate. Seeking refuge from her deadly Pack at Castle with the Vampire Queen Lee and her consort Ben, Hannah discovers nurture overcomes nature with a single bite.
