

Chance Encounters 1~3

Chance Encounters is a series of stand-alone novellas set in jolly old England, following a set of loosely connected people as they find love in unexpected places. Can love conquer all, from class differences to age gaps? Read on and find out. Book 1 *One Night Stand* Lucy has always had everything under control: her business, as well as her (non-existent) love life. And then George came along and changed everything. Book 2 *Beautiful Stranger* Claudia and Peter meet by chance at the side of the road. She's a down-to-earth 24 year old with a dead-end job, he's married and rich. What can possibly go wrong? Book 3 *Only a Taste* Mandi is set to move back in with her conservative Punjabi parents. The last thing she needs is complications, but they turn up anyway, in the form of handsome stranger, Callum.
