

Cheap Shot (Texas Titans, Book 4)

High Rollers president and founder, Jaxon Davis, is a workaholic. He eats, sleeps, and breathes the business, which leaves no time for romance. His friends and partners routinely try to set him up with one beautiful woman after another, but he'd rather spend his evenings working than wasting time with women who are hell-bent on hooking a rich husband. It isn't until his business partner hires his ex-girlfriend, Sela, to act as a hostess in their V.I.P. lounge that he realizes making time for a little fun might not be such a bad idea. Sela Richards is used to working hard to put herself through school, but when her ex-boyfriend offers her an opportunity to make more money as a hostess in the V.I.P. lounge at one of his bars, she accepts. She knows that working with her ex might be awkward, but not as uncomfortable as the heated arguments that ensue when the sexy company president, Jaxon Davis, sets his sights on her.
