

Impossible Magic

(Originally published as 2 volumes.)
20-year-old Iris Archers life is rapidly hurtling downhill--her grades, her job, and her relationship are falling apart. One night, a devastating act of betrayal awakens a powerful magical force inside of her. Alone and scared, she encounters a mysterious woman who reveals the startling truth: Iris is a witch. Iris begins to hone her new magic with others of her kind at a Witchcraft college, hidden away from society. As Iris adjusts, she meets Luke--gorgeous enough to turn heads, but arrogant and cold. She cant decide whether shes more attracted or repelled by his controlling, dominating behavior and the way he watches her every move. As Iris seeks her place in her new life, trouble strikes that could rip it all away from her. New adult paranormal romance Part of an ongoing series. 76,000 words
