Forever Christmas ~ The Second Season  
Forever Christmas, where the spirit of the holidays never fades. Forever Christmas tree farm has grown in popularity, activities, and sales steadily for the first year. Juliet and her friends have hired a few new employees, but are still in need of more help. Juliet learns of a womens shelter and their cutting program to place their women in an intern situation. This program is called, Life Bridge and it provides their women the opportunity to learn new skills while safely housed and totally separated from their past. The owners of the tree farm contact the shelter and four interns are assigned to the farm. Visit Forever Christmas and follow Ivy, Noelle, Miranda, and Sadie as they discover their futures can surpass what they once believed possible.
