

## Cornelius

WANDERING AROUND IN THE DARK IS NO FUN AT ALL. Each book in this series is a stand-alone. Go on a spooky adventure with Wade and Mira Cullen, two teenagers who stumbled upon a house with a troubled history and a wandering soul. Thirteen-year-old Mira is very unhappy at home. She hates the way her emotionally unavailable father treats her mother -- a woman who practically worships the ground he walks on. But things are about to change. One day, Mira and her brother Wade head out to explore a large, wooded area near their home. They are unaware that their innocent adventure would open up the bowels of history in a most uncanny way. Shortly after their exploration, an uninvited guest invades their personal space. Unsure of what to do, Mira turns to the one source that is bound to have all the answers--a rather unlikely source. The Plot: Forbidden romance Betrayal A brutal history An unexpected visitor Paranormal activity Welcome to the strange world of the Cullen family. Next book in this stand-alone series is Revenge of Cornelius where you meet adorable six-year-old, Rosie, who sees a tall, friendly man, but doesn't realize that she's in the pathway of an angry ghost with revenge on his mind. Enjoy!
