

## Cowboy Proud (The Kings of Montana Book 4)

Josh King is perfect, or at least he tries to be. Loyal, hardworking, and honest, he cant stand to be lied to or laughed at. Nicknamed St. Josh by his three older brothers, his hidden soft side is reserved for his beloved cattle dogs and his best friend, a wiry little cowboy named Sam. But when Sam betrays him, Josh decides never to trust again. He wears his anger like a shield, keeping the world at bay until his meddling sisters-in-law decide to intervene. Theyre convinced Josh needs to change, and they think they have the perfect plan. Josh is predictably angry about the girl they bring to the ranch for him. After all, he already has a girlfriend. But his brothers wont listen to reason; instead they listen to their wives. Now Josh must try to dodge the woman living in his house by any means necessary. And as for the girl, she just might be the key to unlocking Joshs stubborn heart, if only hell give her a chance to try.
