BBW + Sexy Cowboy Loner + Intense Passion = Smokin Hot Romance For example, I could look at someone like you. Diana, ebony-skinned. You glow beautifully under light. Curves like mountains that I wish to drive my hands over. He placed his hands on my waist, rubbing up and down. Curious personality. Eyes that are gasping for more knowledge. She pretends to be tough and alone, and yet she followed a stranger home for more company. He kept talking and his hands began kneading. Is that how you describe me? I asked. He placed a finger over my lips. Im not done yet. Eyes that are quizzical and skeptical. They make some lost like me feel found. Leonard tilted his head to the side and kissed me. His lips felt like a home to my loneliness. I couldnt quite remember who or where I was, and it was a feeling I liked. He pulled away. Now, you describe me. I licked my lips and could taste him lingering with an electric flavor. You have a prismatic mind, I began. A tough, leathery exterior. Leonard with a voice of a cowboy. The limbs of a cowboy. The body of a man who has never accepted anything from anyone else. His shoulders shifted backward and his jaw clenched as he listened. Note: This content contains some sex scenes and hot romance. Only for the adult eyes! -----
