

## Diary Two: Dawn, Sunny, Maggie, Amalia, and Ducky (Five-in-One California Diaries)

In this five-book compilation by the author of the Baby-Sitters Club, a group of teenage friends struggles with friendships, family, and romance. Dawn and Sunny aren't speaking. Maggie's eating disorder has become extreme and Amalia is making it her mission to help. Ducky's parents have left him alone and this time he could really use their advice. A spin-off of the bestselling Baby-Sitters Club, the California Diaries are first-person accounts of five teenagers dealing with the ups and downs of growing up. Diary Two contains the second journal of each of the main characters, books six through ten in the series. This ebook features an illustrated personal history of Ann M. Martin, including rare images from the author's collection.
