

## Deadly Identity (Wyoming Series)

One tragic decision dashed Rachel Carsons plans and made her scared of her own shadow. Now on the run, she must forever give up the hope of love?or a baby. But with her new identity, she can help care for a motherless little girl, left in the protection of handsome Sheriff Cade Garner. As tough as his Wyoming mountains, Cade takes his responsibilities seriously. He will do whatever is necessary to protect baby Jenny and give her the life she should have had. But his sharp instincts tell him something is up with the mysterious nanny who swept into their lives. The alluring blonde has roused his senses... and his heart. As a lawman, he seeks to uncover her secrets. He knows he can protect her and the baby, if only she will dare to trust again.
