

Destined to Live

William Ungar's biography *Destined to Live* is a perilous yet triumphant account of a young Polish soldier who suffered tremendous personal losses during the Holocaust. Despite losing several of his loved ones, Ungar did not succumb to anguish and despair. Ungar lost his entire family, including his wife and son, under the German occupation. His faith in Divine Providence sustained him until he could arrive in America on May 20, 1946. Here, he renewed his life, remarried and raised a happy family. Ungar is forever grateful to the United States for enabling him as a refugee, to fulfill his dreams and aspirations.
