But now she is returning with her grown daughter to the mysteries of Scotland's mist-shrouded Highlands. Here Claire plans to reveal a truth as shocking as the events that gave it birth: the secret of an ancient circle of standing stones, the secret of a love that transcends centuries, and the truth of a man named Jamie Fraser a Highland warrior whose gallantry once drew the young Claire from the security of her century to the dangers of his. Claire's spellbinding journey continues through the intrigue-ridden French court and the menace of Jacobite plots, to the Highlands of Scotland, through war and death in a desperate fight to save both the child and the man she loves.
