

# Tax without Tears: Tax and Accounts for the Self-employed Working from Home

If you are self-employed and work from home, in direct selling, providing therapies or services, in consultancy, fashion and the arts, sports training, or even small manufacturing, then this book is for you. No matter what your business, you need to keep records, books of accounts, and complete annual returns. This book will help you when you are setting up your business, and to maintain a system of records which will: keep track of financial accounts; provide the necessary figures for tax and VAT returns; create a routine allowing more time for the actual business; and, give peace of mind knowing that all accounting functions are in place.
