

End of the Road

Roads end. They begin somewhere, too. In between, all manner of things happen: friendship, betrayal, horror and maybe even joy. For some, the End of the Road brings love and happiness, for others agony and suffering, and for a precious few, sorrow may lead to something revelatory. The potholes and pitfalls found in this anthology are many, but for every character, there is an end of the road. This road ends in a collection of short stories by 25 of the most gifted writers of our time. Intended for lovers of short fiction everywhere, the End of the Road is a must read for anyone intent on keeping current with the literary scene. Contributing authors: Brandon Hale, Robert Thomas, Saxon Andrew, James Rozoff, Anna J. McIntyre, Donna B. McNicol, Randall Morris, James Rozoff, Alison Blake, Jeanette Raleigh, L. S.
