[Menage Amour: Erotic Cowboy Menage Romantic Suspense, M/F/M/M/M/M, M/F/M] A beautiful woman with a checkered past runs a legitimate bed and breakfast on Jekyll Island. Several young men posing as cowboys move in Breakfast by the Sea and things become chaotic right from the start when the oceanfront B&B turns into a command center for a very determined group of special Super-Op Forces. Pursuing a man known as the King of Hearts, five tough operatives fall fast for a woman they're supposed to eliminate. When the team discovers Paige Lambert is in fact the Queen of Hearts, they can't ignore their handlers' orders. Is the bed and breakfast owner destined to die for her past crimes or will she end up under the protective custody of the men hired to kill her? ** A Siren Erotic Romance
