

Following Fabian (Shrew & Company Book 4)

Believed to be kept under guard by his traveling circuss owner, Fabian Castillo hasnt been seen or heard from for more than seven months. Astrid Falk has one week to root him out. The private investigators at Shrew & Company always find their men, and Astrid is no exception. When Astrid pulls the bewitching acrobat from captivity, however, he refuses to cut and run. Hes got a score to settle with his former foster father Jacques, and Astrid cant leave Fabian on his own. He speaks no English, and she speaks no Spanish, but when they touch, they dont need words. There are some perks to being psychic. Solitary Fabian wants Astrid to be more than just his translator, and she just might be on the market for a new partner. But, the last man she gave her heart to left her high and dry when she needed him most. Committing to Fabian would require a leap of faith shes not sure she can muster, especially if theres no net below to catch her if she falls. ___ The Shrew & Company series reading order: 1 - PURSUING PATRICK (formerly THE PROBLEM WITH PADDY) 2 - FRAMING FELIPE 3 - BRYANS BETRAYAL 4 - FOLLOWING FABIAN 5 - ERICS EDGE 6 - PROMISING PETER ***Get all three in the Shrew & Company 1-3 boxed set and save over the individual title prices.***
