

## Romance: What The Billionaire Wants

What the billionaire wants the billionaire gets. Twenty-four-year old Hannah Fellows isn't the type of girl to lust after things she can't have. Certainly not men. After a string of disastrous relationships, Hannah doesn't want anything more to do with men. But when a sexy and mysterious stranger starts to charm her, Hannah can't help but dream about the gorgeous man, even if she knows it is only a fantasy. Ted Donovan is a man who doesn't take no for an answer. When he sets his sights on something, he gets it. And this time, he has set his sights on Hannah. This is a stand-alone delicious contemporary romance story with mature situations. Readers should be 18 plus!
