

FIELDHOUSE

THE PERFECT BOOK TO HELP YOU INSPIRE YOUR KIDS AND GRANDKIDS... WHILE RE-INSPIRING YOURSELF! - Rick Shaq Goldstein

Based on actual events, FIELDHOUSE is a story of embracing adversity through challenges, teamwork, perseverance, grit, determination, and a positive attitude! Fieldhouse follows Scotty Novosel on his journey to play basketball for the Kansas Jayhawks. What he lacks in size he makes up for in heart, but countless obstacles and a devastating setback push his dream further and further out of reach... With incredible persistence, positive energy, and help from a cast of endearing characters, Scotty discovers just what it takes to transform vision into reality!

In March 1995, Scott Novosel started for the Kansas Jayhawks in the Big 8 Championship game. For the next 20 years, through endless determination and a mantra of never giving up, Scott completed the all ages graphic novel FIELDHOUSE with the help of the Eisner Award nominated artist Sam Sharpe. Together the duo produced an instant classic! The story of the making of the book was featured on Sports Illustrated. Find out why parents, teachers, librarians, and grandparents are declaring FIELDHOUSE a MUST READ!
