

## Trust (Connection Book 2)

Evan Harris thinks his relationship with Jeremy Lewis is going well. But when Jeremy bolts, Evan is left nursing a broken heart. Jeremy loves Evan, but his inability to trust holds him back from facing his past head on and building the future he desperately wants. Evans patience is at the breaking point, and he struggles to decide if Jeremy deserves another chance. Scarred by his own parents treatment of him, Jeremy doesnt trust Evans mothers motives when she reappears in Evans life after his father lands in jail. The ensuing disagreement about his concerns puts further pressure on their developing relationship. Unless Jeremy can learn to trust and Evan can let go of past hurts, theyll miss out on the relationship theyve both been searching for.
