

Ask Me About My Unicorn (B3) (Volume 2)

Loving a unicorn is easy. Yourself ... ? Not so much. Val is powerful, kind, a bit quirky ... but the daughter of hunters. Facing your long time crush is challenging on a good day. But throw in a set of parents who want to sell him, his family and his friends in bits and pieces for dark magic and it adds a whole new set of problems. As secrets are revealed and danger mounts, Val must come to terms with where she came from and become the woman she was meant to be.
