

Easy Bake Coven

The Abyss is watching her ... waiting for her. For Selene Warren being a witch is no big deal. She dabbles in harmless magic with her friends and never thinks much about it. When her grandmother is attacked, Selene uncovers an ancient grudge that threatens the lives of everyone she loves. With no other choice, she puts her trust in a stranger who knows more about who she is than she does and shows her a world of elves, half-elves, fae -- and one peculiar sekhmet named Femi. This unusual new world could swallow Selene whole, take away everything that makes her who she is, but the with a forgotten past beating down her door, she will have to dive in to save her future.
