

Handling Holly (Grover Town Discipline Book 2)

Clive Samuelss childhood friend has returned to town and turned things upside down. Now Clive finds himself the foreman on a rising and profitable ranch. Watching the owner and his wifes relationship blossom, Clive yearns for someone to care for. He doesnt have to look far with the preachers daughter hanging around the ranch and looking ripe for ropin. Holly Morgan cant keep her eyes off the tall and sexy foreman. All her life, her papa has drilled into her mind all the things that good girls dont do, but Clive stirs all the secret places inside that urge her to be oh so bad. Caught in a wicked position that could compromise her fathers good name, Holly has a distasteful wedding looming before her. Clive knows he is the worst person for Holly. No one with the wicked desires he has should have someone so pure, but when he discovers shes set to marry another, he steps up. Soon, he shows her that the small taste of passion hes given her doesnt compare to what he wants to give her. His new bride takes to pleasure like a duck to water, but other wifely duties are going to take her more than a few trips over his knee to sink in.
