

## Raintree: Oracle and Cursed (Harlequin Nocturne)

When prophecies turn deadly and linked fates are revealed, love is the only thing you can rely on! RAINTREE: ORACLE Echo Raintree wishes to vanquish the uncontrollable visions that consume her. But only Ryder Duncan, the fearsome wizard, can help her. When Echo arrives in his remote Irish village, she's drawn into a battle. As her life spins out of control, so do her feelings for Rye. The closer they become, the more her past and Rye's secret threaten their future. CURSED People Maria cares about keep turning up dead. And despite her powers, she can't protect them. She can only stay away and hope the witch hunter doesn't find them. The hunter could be anyone, even FBI agent Seth Hughes. From their first meeting, an intense connection tells Maria that their destinies are bound. But as the hunter zeroes in, can Maria risk getting close to Seth?
