

## Heart of the Hunter

Kelly McBride is torn between two men: one an ex-con who she's not sure she trusts, the other the spirit of an Indian who's been dead for over a hundred years. Lee Roan Horse and Blue Crow are men with two things in common: they're both in love with Kelly and they both want the gold hidden on her ranch. When treasure hunters come searching for the gold, Lee and Blue Crow are determined to keep Kelly safe, even if it means they have to defy death to do it.
