

The Quell: The Harrow Book Two

Callie can't believe that her dreams are true. The mysterious man that has haunted her for years is none other than Duncan Brove, Lord of the Dark Manor. After she is transported to the Harrow from her neighborhood in Brooklyn, Callie discovers a whole new world--one she doesn't want to leave. Unfortunately for her, true love never lasts. Duncan is taken away from her while she sleeps and she wakes up in a cabin by her parents' house in the Catskills. Callie must fight her fading memory and an unwanted fiancée to uncover clues about the women taken from her world. She must hold on to the memory of Duncan's love or else she may never be reunited with him again. The sequel to *THE HARROW*, *THE QUELL* returns with romance and adventure set in a land where spring has been stolen and families are pitted against the women from Callie's world for survival. Duncan and Callie must traverse two worlds to reunite in the Quell, where all of the women from the Harrow have been banished. Can Callie hold on to the reality of Duncan or will he disappear to her dreams forever?
