

Holdin On for a Hero: A three book set: Tales of betrayal, passion, danger and love

Three full length paranormal tales of love and passion, featuring ex-military heroes and things not of this world. Wolfe Tale Wyatt Wolfe is a warrior, a man without fear. At least thats the picture he presents to the members of his Navy SEAL team. Hes a stone-cold killer with a reputation as a woman magnet, and needing no one. But appearances can be deceiving. Wyatt is a man torn by love and betrayal. His only need, his one weakness is Chance-a woman from his past he can never have, can never trust. She ripped his heart out with her betrayal and he has vowed never to look upon her again. Chance never expected to hear from Wyatt. Especially not in the middle of the night, sounding afraid and unsure. The call serves to bring feelings shed never escaped back to the surface. Shes been his as long as she can remember and no matter how much he shuns her, she has to find him. Help him. Wyatt will be forced to see her and face the old feelings that have haunted him for years, because something inside him, an entity of violence and lust, is fighting for control of his mind. And his only chance of survival depends on the strength of Chances love, That Which Survives Senna Laserian, a professor of physics, may find her life quiet and uneventful, and her love life lukewarm at best, but thats okay. Theres enough pain and mystery in her past to last a lifetime. Until she meets Konnor Chase. Dark, brooding, Konnor awakens yearnings Senna wasnt aware she was capable of. In fact, she isnt certain she wants to be around him at all. But when a string of murdered scientists lead the police and the corrupt leader of a covert agency to Senna, embroiling her in a series of events that take her ever closer to discovering the deadly secrets of her past, Konnor, an ex-operative of the same covert agency shadowing Senna, may be the only person who can save her. Konnor wants nothing more than to forget his past and the

mystery of the six missing weeks of his life. Content to run his small martial arts school, he works on finding inner peace that eludes him after more than a decade of trying. When fate thrusts Senna into his life, his primary goal is to keep her alive. But now he must discover if hes man enough to deal with the strong emotions shes awakened inside him and dare to love.

A Matter of Trust Turning dreams into reality? Nikki Morgan, whose life has been more about hard work than fanciful dreams, is about to find out that all things are possible. Her search for a priceless artifact brings her face-to-face with the unknown dark-haired man who has been inhabiting her dreams. Max Weston is about to meet the one woman whose love and belief in him can rescue him from the cruel prison hes been trapped in for years. Two people, one dream. And a sensual awakening that will rock both to the core. Against a backdrop of breathless sexual interludes and the reuniting of two kindred spirits, its a race against time and a ruthless family that will stop at nothing, even murder to find the artifact and be the custodians of the immense power it holds.
