

Holiday in Handcuffs (Stir Sticks & Stilettos)

When Nevea LaBaun decided to spend New Years Eve at an erotic mansion with her best friend, she never figured that she would find herself involved in some of the acts. Until, the moment she came face to face with tall, sexy, hazel-eyed Dorian Nolen she couldn't keep her mind off allowing him any wicked act he desired. One thing led to another and before she knew it she'd been handcuffed and carried into a world of pleasure that she'd only secretly fantasized about. However, this night held more secrets than either of them knew. In the New Year, can they handle the revelation in store for them?
