

If the Slipper Fits (Cinderella Sisterhood Series)

If the Slipper Fits Olivia Drake Raised in a girls school, Annabelle Quinn longs for the world outside the walls of the academy. When she's hired as the governess to an orphaned duke, Annabelle never expects the child's breathtakingly handsome guardian to capture her imagination or her heart. Falling for his young nephew's governess is an irksome complication in Lord Simon Westbury's orderly life, but Annabelle's quiet beauty and wry intellect are too much to resist. Meanwhile, a mysterious danger looms over the remote Cornwall estate. Will their newfound desire stand the test of time? Or are some happy endings just too good to come true?
