

So Into You

The PI Guys: Book Two Screenwriter Noah Ashley has a few four-letter words for his agent when she suggests he improve his script by shadowing a PI. Still, because hes an artist dedicated to his craft and she knows where the bodies are buried, he agrees. Then he spends a little time with the gorgeous PI, and suddenly it seems like a really good plan. The PI doesnt seem to entirely love the idea, but Noah has never been afraid to go after what he wants. PI Drew Rodriguez is used to people depending on him. Hes the classic rock for his family. Responsible. Dependable. The classic rock would never succumb to the borderline sleazy temptation of friends with benefits, no matter how sexy that temptation is. Drew is looking for something enduring. Despite Drews misgivings, its not long before theyve got all the requisites for friends with benefits going. Friendly, good conversation? Check. Fun times in and out of bed? Check. Hot, electrolyte-sapping sex? Double check. Falling in love? Yeah. About that.
