

## Other Sunsets (A Western Romance Novel)

A corrupt sheriff, a mysterious drifter, and a preacher with a dark secret. On the surface, Parson Graham Templeton is the perfect husband - handsome, warm, and charismatic. The people of White Fork admire Parson Templeton and look to him for spiritual guidance. But in private, Ava Templeton has learned that her new husband is a very different man, and to awaken his wrath is to invite severe punishment. Ava has resigned herself to a life of misery and servitude, slaving away in a remote prairie farmhouse to satisfy the cruel whims of her stern husband. Enter Blake Sims, a gentle, handsome man with haunted eyes and a clouded past. Blake will offer Ava the hope of a better life. Their affair is intense and hot, a match that seems meant to be. But Blake has his own reasons for coming to White Fork, and whispered rumors say he's a dangerous gunslinger. Sworn to protect and serve the people of White Fork, Sheriff Edmond Callahan is known for a ruthless nature and a propensity for swift violence. When a strong rancher woman refuses to let the Southern Union Railroad Company lay its new track across her cattle pastures, the sheriff's real agenda becomes all too clear, and he'll do whatever it takes to get his way. As tensions reach a boiling point between the Bar Gap Ranch and Southern Union Railroad, secret affairs and old grudges ignite a conflict that can only end in bloodshed. As the wild frontier yields way to a brave new world, an innocent young woman dreams of chasing other sunsets, but to taste freedom, she must find the courage to face her greatest fears.
