

Kidnapped and Bound

One moonlit night, Lady Eleanor Gerard finds herself bound, gagged, kidnapped and receiving a firm bare bottom spanking at the hand of her fiancé, in his carriage a week before their marriage. Lord Grange means to sell her in payment for a large gambling debt to the formidable dangerous rake known as The Viscount. He owns an exclusive club for rich Regency gentlemen where they can gamble, enjoy pleasurable time with one of the captured women in his harem or buy and sell a woman in a bride sale. Eleanor is stripped and assessed by the Viscount and his friends without hopes of rescue. But when the handsome dark eyed young man sitting next to the Viscount views her with an attracted and unexpected protective eye, Eleanor finds herself taking courage she might not be lost to the Viscount in a life of servitude. Lord Drake Morgan is a rake but disproving of the Viscount and his ways. When Lord Morgan views the helpless yet feisty and obstinate Lady Gerard, he experiences a strong attraction. He wonders if she is not the woman to satisfy his need to dominate, protect and lovingly discipline within the confines of marriage itself. It is clear her reckless stubborn nature causes her safety and well being to be compromised and he yearns to correct her with a series of much needed, firm bare bottom spankings and a turn with his riding crop. Perhaps she is the woman to tame his restless spirit after all.
