

Claiming Lainey [Cowboy Mates, Psychic Connections 3] (Siren Publishing Menage Amour)

(Paranormal Cowboy Romance, M/F/M, HEA) Society doesn't allow for three people to love each other. Lainey Markham knows this and is heartbroken. She has loved Tim Hughes and Spence McKade since she was a child and refuses to choose one man over the other. They call her their bridge. When she touches both of them, everything feels right, but she denies what is meant to be so her men won't be hurt. ~Spence and Tim have finally come to the realization that Lainey is their destined mate. They are determined that it's about time Lainey realizes it, too. She is the woman who will be their friend, their lover, and the mother of their children. The hell with what society says. They will pursue her with purpose and will not give up until she is committed to them, living in their home, sleeping in their bed, and carrying their babies. Note: It is suggested that the previous titles in this series be read first for continuity.
