

## Mail Order Bride: Double Deception (Mail Order Brides Book 5)

Ella Barber finds herself in a difficult situation. She's a survivor, though, and she decides to fight for a better life for herself and her young son. She has lost her beloved husband and sees that she has few options. She doesn't want her son to grow up with an expectation that he follow his father's footsteps of being a butler in a wealthy household. She decides to become a Mail Order Bride and starts corresponding with a doctor in Belmont, Nevada. The two become quite close through their letters and Ella is sure she has found the answer to her prayers. A stable, new life for the two of them. Dr. George McCade is a well-respected doctor who serves the community of Belmont. He is eager to meet Ella and have her become his wife. He offers a proposal in his letter before they meet face to face. Ella is taken in by his charm and outlook on life. What could go wrong for these two love birds?
