

## The All Encompassing: A Shifter MC Novel (Pureblood Predator MC Book 1)

Lily: Two words. Biker dirtbag. Or how about: not interested? Wellmaybe a little. Okay, a lot. But a rookie cop and an outlaw biker Prez? We all know what that is. Way more trouble than its worth. Only theres more to the Prez than meets the eye. And let me tell you, what meets the eye is plenty fine. Even when the fangs and claws come out. Or especially when they come out. Maybe theres more to me as well. Something Ive kept hidden. Locked away. A secret desire. A hunger. Maybe the Predator outlaw understands what I need. What my animal needs when she rages against the cage Ive built for her Aaron: The cop girl doesnt have a clue. Zero. Shes living blind. A weak, worthless Skin. A human. But her scent? An alpine meadow at sunrise? Calling my animal. Making him pace and snarl. Hes stalking her now. Hunting her down. And once hes on the scent of prey he never lets go. Trouble is, he senses a threat lurking in the night forest. Somethings stalking him. This is the end of an age. The natural order upturned. The hunter hunted. Lily. My bloodmate. My destruction. Mother Natures not all kisses and cuddles. Shes ruthless. Hard. Cruel. Species rise and fall. Survival is all that matters. And my wolf? Hes howling. Summoning his pack. The cop girl has to die
