

Somewhere The Bells Ring (Somewhere in Time Book 3)

Caught with pot in her dorm room, Bailey Randolph is exiled to a relatives ancestral home in Virginia to straighten herself out. Banishment to Maple Hill is dismal, until a ghost appears requesting her help. Bailey is frightened but intrigued. Then her girlhood crush, Eric Burke, arrives and suddenly Maple Hill isnt so bad. To Eric, wounded in Vietnam, his military career shattered, this homecoming feels no less like exile. But when he finds Bailey at Maple Hill, her fairy-like beauty gives him reason to hope--until she tells him about the ghost haunting the house. Then he wonders if her one experiment with pot has made her crazy. As Bailey and Eric draw closer, he agrees to help her find a long-forgotten Christmas gift the ghost wants. But will the magic of Christmas be enough to make Eric believe--in Bailey and the ghost--before the Christmas bells ring?
