

## Twisted Faith of a Side Bitch: Memphis

Anastasia Monrow, also known as Tasia or Tasty by some, is a 23-year-old vixen who loves the finer things in life and other women's men to give them to her. In a world filled with expensive clothes, wads of cash, secret sex dates, and ambitious, vindictive sideline bitches, Tasia reigns supreme. She is the queen bitch in the Memphis who usually gets exactly what she wants without asking. Tasia and her best friend Diamond are living the life of luxury, charging men for their time and reaping all of the rewards in form of steady cash flows from the married men and baby daddies they trick. Everything seems to be going good until Tasia begins to fall for one of her junts named Jermaine. Once Tasia's feelings get involved, she finds herself in a whirlwind of sex, lies, betrayal, and murder. Is Tasia destined for a horrible, brutal fate at the hands of one of the men she tricks for money? Or will the Twisted Faith of this side bitch from Memphis give her the happy life she always wanted?
