

All I Need Is You (An Over the Edge Novel)

Previously available as *Wedding Survivor* (Thrillseekers Anonymous series). When a wedding planners first gig teams her up with a sexy stuntman, will she crash and burn or be airlifted to love? Tall, lithe ex-stuntman Eli McCain may speak with a Texas drawl, but this modern-day cowboy prefers hurricane windsurfing to herding cattle. Along with three friends, he cofounded Thrillseekers Anonymous, an extreme sports club that caters to the ultrarich and superfamous. But when the club agrees to stage a huge and hugely profitable extreme sports-themed celebrity wedding, Eli gets furious; he's still bitter about getting jilted at the altar and wants nothing to do with veils or vows. Copper-haired chatterbox Marnie Banks dove headfirst into wedding planning after she was laid off from a dot-com start-up. The union of megawatt stars Olivia Dagwood and Vincent Vittorio may be her first solo wedding job, but it could make all her dreams come true: She'll make Hollywood connections. She'll finally move out of her parents' house. And she'll meet a decent guy, for once. But when the wedding turns from extreme to extremely disastrous, Eli and Marnie must work together against the elements, their bickering clients, and their own smoldering attraction to save the day. Will the sparks flying between them ignite into something real and passionate or will they both end up burned?
