

Painterly Days: The Woodland Watercoloring Book for Adults

A book of 25 woodland sketches printed on lovely watercolor paper invites artistic experimentation with only a brush and paint. Each page is double-sided, offering the opportunity to paint the same page in different ways. The author shares painting tips for each sketch and advice for discovering the artist within. Also included is a painting tutorial and handy color wheel. Each book is small enough to carry anywhere and simple to use. Creativity is an escape, and this book offers a delightful way to make art regardless of skill level.
